

GUIDE FOR AUTHORS

Manuscripts submitted for publication can either be submitted as hardcopies or electronically. Three copies (double spaced text and illustrations) of hardcopy manuscripts should be submitted. Manuscripts submitted in digital format should be sent in Microsoft Word. Digital illustrations should be sent initially as low resolution images in a separate Word file, as low resolution JPEGs, or as low resolution PDF files, with figure numbers indicated clearly for each figure. Digital manuscripts may be sent via email to susan.wright@qm.qld.gov.au. Hardcopy manuscripts and digital manuscripts on floppy disk or CD-ROM should be sent to:

The Australian Entomologist
P.O. Box 537,

Authors should refer to recent issues for layout and style. All papers will be forwarded to two referees and the editor reserves the right to reject any paper considered unsuitable.

It is Magazine editorial policy that usage of taxonomic nomenclature will comply with the mandatory provisions of the International Code of Zoological Nomenclature.

Papers longer than ten printed pages will normally not be accepted.

Publication costs are as follows: cost per printed page, or part thereof, \$27.50 (black & white) and \$60 (colour). These costs include the supply of 50 free reprints to the senior author. Papers occupying one printed page or less may be accepted without charge if no reprints are required. Reprints may be supplied for one page papers at the normal cost, by arrangement. Page charges may be reduced at the discretion of the Publications Committee. An application for reduction must be made, with reasons, at the time of acceptance of the manuscript.
